Do you have access to a network of business owners and decision makers looking for a complete audio marketing solution? Then join our Referral Program and earn commissions while helping your business contacts enhance their image, improve their customer service, and even increase sales!

### We're the Best At What We Do

- Message & Music On-Hold Recordings
- Auto-Attendant Greetings
- After-Hours Greetings

As a national leader in professional audio-marketing solutions for all types of industries, ON HOLD:32 helps businesses transform their "hold" time into a powerful marketing and customer service tool by producing engaging, educational and entertaining Message & Music On-Hold recordings. Each of our programs includes: expert scriptwriting based on the customer's specific needs; professional male & female voice talent; fully-licensed music library; dedicated account management and outstanding in-house service & support.

### What does it cost to become a Referral Partner?

Absolutely nothing! It is completely free and there are no quotas or minimums to meet.

### Referring Others is Easy

Simply submit your warm lead's contact information through our online portal specifically customized for you, and we'll take it from there. We will keep you updated on the progress of the sale throughout the process.
